

AMBASSADOR MINISTRIES INTERNATIONAL BRIEF HISTORY OF THE MINISTRY

The foundation of Ambassador Ministries International can be traced back to the 1990's, when Craig and Terri DeMo determined they must fulfill the call of God on their lives while helping others fulfill their God-given destinies. That decision has resulted in countless lives being changed through the Gospel and ministries being launched, both in the USA and around the world. The road hasn't always been easy. In fact, being in the will of God has taken Craig to what many would consider uncertain conditions in far-away places. Through it all, the Kingdom of God has been enlarged and advanced.

The foreign missions component of the ministry began even earlier in 1988, when Craig and Terri took their young family to Hong Kong and China. This experience "hooked their hearts" with people in foreign lands in desperate need of Jesus Christ. Since that time, they've conducted outreaches in China, India, Nepal, Thailand, Pakistan, Nigeria and Mexico, to conduct Gospel campaigns and seminars, lead healing teams and help orphans, widows and victims of natural disasters.

In the United States, Ambassador Ministries International focuses on Bible teaching, healing ministry and media ministries as well as casting a vision for the nations of the world.

Ambassador Ministries International is a registered non-profit organization and is accountable to a governing board.
